

COVID-19 Precautions to Protect Our Guests

We are currently planning our 7th Annual Jazzin' Up MAY as an in-person event on May 4, 2021 at the Grand Wayne Center. To ensure our guests have a safe and grand experience, we have put the following guidelines in place for COVID-19 protection:

- Table capacity this year will be limited to 8 people per 10' round table.
- All tables will be spaced 15' apart to ensure there is a minimum of six feet of clearance when guests are seated. We will have access to all three ballrooms at the Grand Wayne Center if we need them for additional social distancing measures.
- All guests will be asked to keep their masks on in the Grand Wayne common areas.
- All food will be served at the carving stations. Beverage centers will still be located throughout the ballroom.
- Guest registration will have increased capacity at various locations to ease congestion at check-in and check-out.
- Hand sanitizer and masks will be available.
- The silent auction will be online only this year through the OneCause app as used in previous years. No items will be on display during the event. Items will be available at checkout.
- Guests who have had a recent exposure to COVID-19, or who are exhibiting symptoms will be asked to stay home.
